About TEMPUS:

- EU programme that supports modernization of higher education in Partner Countries;
- Promotes voluntary convergence with EU developments (Bologna Process and Lisbon Agenda);
- Encourages cooperation between EU and Partner Countries;
- Enhance mutual understanding between peoples and cultures

Tempus Management by EACEA

- Since April 1, 2009 Tempus management has been transferred from the Directorate-General for Education and Culture to the **Education, Audiovisual and Culture Executive Agency (EACEA)**;
- The Agency is established by the European Commission to implement and manage various programmes, including Tempus and Erasmus Mundus;
- They work under the supervision of the **European Commission**

3 TYPES OF ACTIONS:

- **Joint Projects:** implemented at institutional level to reform curricula, improve university governance, create more links with society.
- **Structural Measures:** implemented at national level for the development and reform of national higher education structures and systems in Partner Countries.
- **Accompanying Measures:** dissemination and information activities (*conferences, studies, exchange of good practices, National Tempus Offices, High Education Reform Experts, etc.*)
