

# Education Policy Centre proMENTE

What we are doing.

Steve Powell <sup>1</sup>

<sup>1</sup>proMENTE social research: Centre for education policy

Presentation: WUS, Sarajevo, Dec 2008

# Education Policy Center / NEPC

## EPC

Providing fresh evidence for the dialogue on education in Bosnia & Herzegovina

# NEPC

International Network of Education Policy Centers (NEPC)  
20 members in countries from Poland and Latvia to Mongolia and Kazakhstan.

Vision: to develop into a strong formally established network of leading education policy centers, a global actor with local and regional expertise in education policy that promotes the values of an open, democratic, multicultural, and pluralistic society.

# Careers orientation

Previously with SUS & SRCe: CARDS - "moja karijera"

Now YEP, with posao.ba: ??

Model life-long careers management

# Transparency

Previously private tutoring 1: with OSI/NEPC. “Education in a Hidden Marketplace: Monitoring of private tutoring”

Now

- private tutoring 2: with NEPC. Focus on policy.
- transparency in education monitor: with NEPC

# Inclusion / exclusion / enculturation

- “Education in Bosnia and Herzegovina: What do we teach our children?”
- “Divided education, divided citizenship”
- Critical thinking & curriculum implementation
- “Advancing participation and representation of ethnic minority groups in education”
- “Inclusion and education quality”
  - School principals (focus groups / survey)
  - Action research
  - Parents survey
