

SECTION 6.3: OPTIONAL COMPONENTS

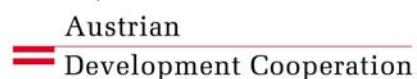

E-LEARNING AND GUEST LECTURERS (IN THE FRAME OF BRAIN GAIN PROGRAM PLUS OR TWINNING)

Please complete this form carefully on a computer

Implemented by

financed by

SECTION 6.3.1: E-LEARNING COMPONENT
(optional)
(please copy this section if you apply for more than 1 course)

6.3.1.1. Title and number of the module/course which you are planning to transform into eLearning format:

6.3.1.2. Experience:

Please specify the Project Coordinator's experiences with activities related to eLearning and eContent.

6.3.1.3. Reasons:

Please list and describe the reason(s) why do you propose to transform this course& module into eLearning format.

6.3.1.4. Expected results:

Please list the expected results.

6.3.1.5. Implementation plan:

Where will the course be published (web page, CD ROM, etc)?	
Does your university institution have established cooperation with other institutions (universities, faculties, companies, etc) and will other institutions be able to use the course?	
Is there a cost connected to using the course or is it free (especially with regard to interested parties outside the institution of the applicant)?	

6.3.1.6. eLearning Web platform:

Does your institution already have an established eLearning web platform?	<input type="checkbox"/> Yes (if yes, fill in section a) <input type="checkbox"/> No (if no, fill in section b)
---	--

a. Established web platform

Learning Management System (LMS) used at your institution's web platform:	<input type="checkbox"/> No, we do not use a LMS <input type="checkbox"/> Yes, we use: _____ (LMS) Standards that LMS adheres to: <input type="checkbox"/> SCORM <input type="checkbox"/> AICC <input type="checkbox"/> ARIADNE <input type="checkbox"/> IEEE <input type="checkbox"/> IMS <input type="checkbox"/> Other (please specify): _____
---	---

b. Demanded web platform

Please specify technical characteristics of demanded web platform.

--

Please note: In case you have requested equipment purchase within DDS application, any eventual procurement of web platform equipment (hardware or software) by your institution CANNOT be considered eligible co financing of equipment within DDS project.

6.3.1.7. eLearning Center

Please specify whether you intend to use University or Faculty eLearning Center as technical support.

- ☐ University eLearning Centre
☐ Faculty eLearning Centre

6.3.1.8. eLearning Center Coordinator

Name of the coordinator, title and position at the University/Faculty Center				
Number and structure of employees at the eLearning Center. In the column Employment please state if an employee is employed full time at the eLearning facility, part time, or as an external collaborator :				
No.	Name and surname	Position	Employment	
	-	Director/Coordinator	-	
Please list the courses, in the development of which the University/Faculty eLearning Center has been actively involved :				
Course number	Title of the course	Institution	WEB Location or other reference	Period of development
Course 1	-	-	-	-
Course 2				
Course 3				
Course 4				
Course 5				
Course 6				
Course 7				

6.3.1.9. Infrastructure Details

Internet connection to the University/Faculty and eLearning Center (please state type of Internet connection (e.g. dial up, ISDN, leased line, ADSL, wireless,..), bandwidth and providers	To the university/faculty		To the eLearning Center	
	Type of connection		Type of connection	
	Bandwidth		Bandwidth	
	Internet provider		Internet provider	
	Free or paid access by the University		Free or paid access by the University	
Total number of university institutions:		Total number of networked university institutions:		
Total number of students at the Faculty:		Total number of students attending the module/course:		
Total number of computers at the Faculty:		Total number of networked computers at the Faculty:		
Average speed of internet connection at the Faculty:		Number of computers with free access for the students:		
Which web platform or LMS do you intend to use for publishing the course into eLearning component?				

6.3.1.10. Partnerships (EU, regional, local):

Please specify whether your partner(s) will be included in the process of transforming/modifying modules/courses into eLearning components. If yes, please list the partner(s) and describe the nature of their support.

--

**SECTION 6.3.2: GUEST LECTURES IN THE FRAME OF BRAIN GAIN COMPONENT
OR TWINNING(optional)
(please copy this section if you apply for more than 1 BGP+ /Twinning guest
lecturer)**

Please fill in this section if you are applying for Brain Gain component or if you are applying with an EU twinning partner.

6.3.2.1 Please indicate the module and course number(s) and give a brief description of the course(s) the guest lecturer will conduct.

Application is for guest lecturer in the frame of:		
BGP+ <input style="width: 40px; height: 20px;" type="text"/>	Twinning <input style="width: 40px; height: 20px;" type="text"/>	
Number, title and subject of the course(s) and topic(s) covered.		
Time frame for the course(s): date and duration of guest lecture, number of lecture hours per day (1 lecture = 45 min.; min. = 15 lecture hours), etc.		
Total number of teaching hours	Number of lecture hours	Number of exercise hours
Assessment modalities		Teaching language
Is the guest lecturer planning to support research work at the hosting institution? If so, please describe the research project/ area of research and the guest lecturer's role in it.		
Is the guest lecturer planning to take over mentorships? If so, how many students could he/she accept?		
Explain why it is important for your faculty to invite the proposed guest lecturer.		
How are these lectures connected to and how do they supplement existing courses of this module?		

In which way are these lectures oriented to labor market needs?
Was the lecturer engaged at your faculty before? If yes, in which period?

6.3.2.2 Guest lecturer

Name	Surname
University/ Institution	Faculty
Department	Position at university/ institution
Specialization / field of interest	
Present citizenship	Country / place of birth
